

# Christopher Feuchter

(267) 576-6171 | cfeuchter06@gmail.com | <https://www.linkedin.com/in/cfeuchter/> <https://github.com/chrisf1301>

## EDUCATION

**The University of South Carolina: Molinaroli College of Engineering,**

**Columbia, SC**

*Bachelor of Science (B.S.) – May 2028* • Majors: Computer Information Systems, Minors: Business Information Management

- GPA: 3.8/4.0
- Awards: Dean's Scholar Fall 24, Spring 25, Fall 25
- Relevant Coursework: Data Structures and Algorithms, Software Engineering, Algorithmic Design I/II, Linux/Unix Fundamentals, Advanced Programming Techniques, Discrete Structures

## SKILLS

- **Programming Languages:** Python, Java, C++, HTML/CSS, JavaScript
- **Frameworks/Applications:** GIT, AWS, React, Cursor, Vercel

## PROFESSIONAL EXPERIENCE

**Vereinigung Erzgebirge, Warminster Pa Lifeguard, May 2023–August 2025**

- Ensured the safety of 150+ swimmers daily as a lifeguard, resulting in zero incidents over two summers.
- Secured First Aid and CPR certifications to safeguard the well-being of over 200 swim facility patrons.
- Optimized team coordination in crowded settings, achieving a 100% safety record across high-traffic summer months.

**Pina's Pizza III, Doylestown, PA Customer Service & Pizza Operation Associate, Jan 2024–Jan 2026**

- Managed 50+ customer orders per shift in person and by phone, operating POS system to process cash/card transactions with 100% of cash being handled properly.
- Prepared and served 35+ pizza slices per shift while balancing counter service and dine-in tables in a fast-paced environment.
- Delivered efficient customer service by multitasking across the front counter and wait service and coordinating with my team to ensure efficiency and timing.

## LEADERSHIP EXPERIENCE

**ACM Columbia, SC Member, Jan 2026–Present** • Professional development organization for engineering students focused on sales, leadership, and industry engagement. Participated in speaker events, real-world simulations, and workshops to strengthen communication and client-facing skills.

**CSIET Columbia, SC Member, Jan 2026–Present** • Attend weekly workshops and speaker events on software development and industry topics, and engage with professionals and alumni in computing-related fields.

**Sigma Phi Epsilon Columbia, SC Active Member Jan 2025 – Present** • Participate in weekly meetings, the Balanced Man Program, and community service philanthropic events.

## PROJECTS

### **ResumeIQ**

- Built an AI-powered resume matching platform (Next.js, React, AWS, OpenAI) that provides the user with semantic analysis and feedback
- Integrated AWS cloud services (S3, RDS, PostgreSQL) for file storage and data persistence in the production environment
- Deployed full-stack application on Vercel with custom domain, implementing serverless architecture and RESTful APIs

### **Full-Stack Oktoberfest Event Application**

- Developed a responsive event platform showcasing schedules, vendors, maps, tickets, and festival information
- Built reusable React components and RESTful APIs using Node.js
- Designed MongoDB schemas to support dynamic event content

## INTERESTS

- Movies, Skiing, Soccer, Travel, Golf, Trivia
